

## My “Elevator” Speech

On my business card

Romans 1:18-20 states that the witness of nature (scientific knowledge) harmonizes with the declaration of Holy Scripture that the cause of the existence of the universe is God who is both the Creator of the heavens and the earth (Genesis 1:1-2) and the Redeemer of sinners in Jesus Christ (John 1:1-3, 14, 29). I make this case on my website referenced on the front of this [business] card. I have both a Master of Divinity from Luther/Northwest Theological Seminary in St. Paul, MN, and an M.A. Degree, with Honors, in *Science and Religion* from BIOLA University in La Mirada, CA.
